EXPERIENCE

Customer Relationship Specialist at Meta

Atento Brasil S/A | April 2021 - October 2022

I developed and executed an online customer communication strategy, resulting in a 25% reduction in average response time. Additionally, I led a team of 10 individuals, improving their individual metrics and achieving recognition as the top-performing team in the entire operation.

Digital Marketing and Community Manager

Hugo Garcia | January 2020 - December 2020

I implemented optimization techniques in advertising campaigns, which resulted in a 20% increase in website traffic and a 15% increase in total sales. I updated and synchronized the product catalog with the website, improving the customer experience and reducing delivery times by 25%.
